# **EC21**—making online trade easier *Discover how EC21.com can grow your business*

## **Find it all—on the Web's biggest B2B e-marketplace**

Web's largest B2B product database | Powerful search functions | Buyers' bulletin board | Email inquiry tools

### *Free Tools For Buyers*

#### **Save time and money with EC21's free online tools for buyers.**

##### ◆ Find what you're searching for—on the Web's biggest B2B e-marketplace

On EC21.com you'll find more products than on any other B2B trade website—which means a greater chance of finding exactly the product you want. So whatever you are sourcing, make EC21.com your first destination.

##### ◆ Quality information guaranteed

On EC21.com you'll find quality as well as quantity. We carefully screen all product descriptions and company profiles before we post them. So you can rely on complete, up-to-date results and contact information for every supplier.

##### ◆ Fast and accurate search results

Our new and improved search function returns perfectly matched results every time. You can search products, companies or offers to buy and sell. And with the Trade OK and Trade PRO logos, you can instantly identify independently verified suppliers.

##### ◆ Contact suppliers directly

When you find the products you're interested in, it's easy to contact the suppliers direct from the EC21 site. Just click the Inquiry button to send a message. And with a few clicks more, you can easily manage all your mail history.

##### ◆ Let suppliers come to you

If you don't have time to search for suppliers, let them come to you! Post an offer to buy on the EC21.com offer board and wait for the replies. With suppliers able to request automatic notification of offers to buy, you can be sure of a prompt response.

**Visit EC21.com to discover a world of products and global business opportunities.**
